

# Lockdown

First Person Shooter  
PC DVD ROM

A battle of epic proportions against a deadly enemy and an evil deep within

## Cover

## Storyline

**THE PROTECTOR** is a warship that orbits the Earth, keeping it safe from invaders. With enough firepower to destroy a planet, many have tried and failed to take control of it. You are a new recruit, known as the LOCKDOWN specialist. It's your job to lockdown the ship's weapon system if a threat should get on board.

## Features

Intense storyline, fighting against a deadly enemy, while a traitor tries to destroy any hope of success

Many exciting levels of gun action with an amazing animated storyline

Large selection of enemies, weapons and objectives

Choose which team members to TRUST - find out who the traitor is...
